Kjerstie & Melanie welcome you to join us in MadCAP's Studio (located centrally in downtown Madison) for a master class to help prepare you for Solo & Ensemble festivals. We'll work with four performers and answer questions from all observers & participants, preparing each of you to apply what you've learned to your own performances.

The Master Class will address the following topics:

- Choosing a piece
- Doing your homework
- Tools to tell the story
- Vocal stylings & technique
- Reworking & reframing the performance

The Master Class will be structured with about 30 minutes of presentation and remaining time to cover performances & feedback. Printed materials will be available in both print & digital format for students, and interactive media will be available on madcap.org for students to refer back to.

Participants will have to option to register to either be a **performer** (\$25 participation fee, limit of three per session) or an **observer** (\$10 fee) and have the choice of three sessions.
